The Hawksmoor Learning Trust is a small Multi-Academy Trust with a strong reputation and great track record based in South Northamptonshire. We have 4 large, successful primary schools, set in the heart of their local communities in Brackley and Towcester. Our small geographical base enables us to galvanise our resources and work as a team; together, we ensure happy and vibrant schools where doing the best we can for all children in our care is at the heart of everything we do. We have the highest aspirations for every member of our team (adults and children) and place great value upon celebrating achievement and personal development as individuals learn and grow with us.

The Radstone Primary School is seeking an excellent, energised Learning Support Assistant to join our excellent team. We are looking for an individual who has the confidence and expertise to support individual pupils with high needs as well as assist generally with pupils' learning in class. The post-holder will be reflective and forward thinking, a successful practitioner with a passion for learning (for both the pupils and themselves). Ideally, applicants should have previous experience of working with children with special educational needs, including autism. The ability to work both independently and collaboratively within a teaching team with commitment and flexibility is essential. The ideal applicant will be keen and enthusiastic, ready to join our dedicated team. We have high expectations and constantly seek to improve our offer for the children and communities we serve. The ideal candidate will be experienced in working with children; a highly motivated team player; have the ability to inspire pupils; have a strong work ethic and be committed to high standards of the school and the Trust.

We can offer:

- A great working environment with a tremendously positive ethos and team spirit.
- A highly motivated, talented and supportive school and Trust team.
- A commitment to professional development.
- Being part of an established school within a close community of Trust schools.

If you are passionate about the education and welfare of children, are enthusiastic and meet the requirements of our Person Specification, we hope you will consider applying to join our team of professionals here.

Please have a look at our school websites to get a flavour of our schools; visits to our school are very welcome and encouraged. Please contact The Radstone Primary School directly to arrange.
